Email Membership makes you a part of all that is going on in the Winslow Farr Sr. Family Organization. Frequent news and email newsletters are sent to all subscribing members, updating them on progress in research, family history publications, DNA projects, reunions, events and any news regarding family members or ancestors. *If you have any interesting information on Farr family history, research, obituaries, or other items of interest, please email David Farr for consideration. Please pass this form on to other members of your family who may be interested.* If you do not have email access, you can have information sent to a family member who can print it for you.
