SPECIAL CONTRIBUTION TIME

We are asking for your kind donation in to complete a very special, Memorial Marker for Winslow Farr Jr.(WF Jr.) and his Wives. It is to be Dedicated and Memorialized on his current grave site in the Ogden City Cemetery. Now he has a very small maker with two wives buried there. The other two wives have plots elsewhere. We feel it is not a fitting memorial to our wonderful ancestors. Our Goal is to raise the funds, have this built, and dedicated with you, the family present on the 100th year of his passing Feb 18, 2013. Please see the attached illustrations of the marker planned on this website which were done by Bott Monument of Ogden. The estimated cost is \$8,000. If we make our checks to the **Winslow Farr Sr Family Organization (WFO)** our donations will be tax deductible. (to verify WFO charitable status go to <http://www.irs.gov/app/pub-78/> search 'Winslow Farr' Check all of the words box and city Mission Viejo, CA It will bring up the name). The checks need to be made out to Winslow Farr Sr Family Org. All funds will be held by the WFO until disbursed to the monument company.

SPECIAL CONTRIBUTION TIME.

Before payment to the monument company there needs to be assurance that the project will be completed. To be deductible the funds cannot be refunded to contributors. If the funds are not used for the WF Jr Monument Project they will be used for other WFO purposes. There will be strict accounting by WFO of funds donated for the monument. Please pass this form on to other members of your family for consideration. Our goal is to have each family contribute to share the cost and enjoy the realization of honoring their ancestors. If a family wishes to donate \$250+ they will have their names engraved on the monument. Please go to our WF Jr. website given below to see more information on this project.
